Subject: RE: Outreach Meeting

Good Afternoon.

This is a reminder email being sent out for tomorrow's Homeless Outreach Coordination Meeting. I would please like to know who will be attending this meeting so that I have an accurate number of copies of an informational packet our team has been working on, and give our parking attendant ample notice of how many spots we would need available for tomorrow. I would really appreciate a response. Thank you so much in advance.

Sincere regards,

Subject: 2nd Homeless Outreach Meeting November 10th, 2015

SPA 4 Homeless Outreach Agency:

This note is to invite you to attend our 2nd Homeless Outreach Coordination Meeting to be held on November 10th, 2015 at 8:00 AM - 10:00 AM at Department of Mental Health Headquarters at 550 S. Vermont St., Los Angeles, CA 90020 in the 10th floor conference room. This is a follow up to our meeting of October 13, 2015.

We know that many agencies are working well together under the leadership of the CES Coordinators to outreach to the homeless. We invite you to meet with us to consider whether we as a SPA should together adopt the following strategies to further develop a coordinated outreach:

- * Develop a geographic map of the service area identifying one outreach team as the lead for each area.
- * Develop a grid of the all the outreach teams, hours of operation, team lead and referral process.
- * Participate in regularly scheduled case consultations to discuss, challenging cases, collaborate across teams as needed, update data and prepare the highest priority VI-SPDATs for matching.
- * Identify cases with complex Issues (medical, substance abuse, other) and generally matching needs of consumers to the outreach team best equipped to engage them.
- * Weekly calls with VA and agencies serving Veterans to expedite utilization of VASH vouchers.
- * Monthly group outreach - all teams participate to the extent possible identifying hotspots, going out as larger team.
- * Promote group trainings and opportunities for the line staff on the outreach teams to get to know each other.

This will also be an opportunity to explain the mission of our new DMH outreach teams and the areas in which they operate.

For this meeting please determine within your agency who and how many should attend. We know that for the last meeting we may have invite more team members to be present for the meeting than you felt necessary. Please feel welcome to reduce the number of team members who represent your program as you see fit.

Please RSVP to Ms. Molina (above) who will arrange parking for you in our parking structure.

Lastly, if you did not provide it previously to us, please forward to us a fact sheet which describes your outreach program, the area you operate in, the days and times of operation and any other information that you think it would be necessary for others to contact you to refer homeless persons to you. We will print these in advance of the meeting in a packet to distribute to all who attend the meeting.
